Dear Mr. Pascal:

Thank you for providing an excellent block of instruction at our recent Office of Investigations in-service training conference. Your presentation was very much appreciated by all of the attendees.

Every participant has remarked on the extremely high quality training you and Bryan Beardsley provided and the enthusiastic, encouraging and highly professional manner in which you provided it. We intend to take all steps necessary to integrate your techniques and training methods into our Defensive Tactics program. We hope to take other opportunities in the future for you to return and provide training for our agents, and we also hope to send a number of our agents to future Krav Maga seminars and instructor certification courses. Thanks again and we look forward to continuing to work with you!

Sincerely,

  
Elizabeth T. Barlow  
Assistant Inspector General  
for Investigations
